

October 24, 2024

Dear Prof. Abir Chattopadhyay,

SUB: Acceptance Letter for IEEE INEC 2025 – New Taipei City, TAIWAN

Congratulations! We are pleased to let you know that your submission entitled “ID: #8: Graphene Nanoribbon Interconnects for RF Sensing: Modeling and Performance Analysis Using Ring Oscillators” has been accepted for **ORAL** presentation at the **10th IEEE International Nanoelectronics Conference (INEC 2025)** (<https://ieeeinec.org/>) to be held from **January 3-6** in **New Taipei City, Taiwan**.

Please proceed with making the following arrangements:

1. Let us know if you confirm your participation in INEC 2025 and whether you will be presenting physically or virtually. Note that the registration fee for both modes of presentation are the **same**.
2. If you are attending the event physically and need a visa to travel to Taiwan, and need a specific invitation letter to submit to the Taiwanese Consulate in your country, please let us know and we will provide it to you.
3. Please proceed to pay the conference registration fee for the conference at https://paper.ieeeinec.org/event_registration/. Note that the **early bird deadline** will be ending on **November 30, 2024**.
4. Note that for accepted authors, submission of a full paper is **OPTIONAL**. If you intend to submit a full manuscript for publication in IEEE Xplore, please do submit your manuscript file by **December 15, 2024** through our paper submission portal at <https://ieeeinec.org/submit-now/>.
5. Do make your hotel reservations soon at the heavily discounted rate at the **FULLON Hotel** in Tamsui Fisherman Wharf, which is the venue for the conference. **Please note that the discounted rooms have limited availability and can be booked together with conference Registration Fee. Reservations are secured on a first come first served basis.**
6. Your oral presentation will be for 12 minutes + 3 mins of Q&A. Do prepare your presentation materials accordingly.
7. Further details on the exact date and time of your presentation will be made known to you 2 weeks before the event through another email.
8. We look forward to welcoming the new year at Taipei together with you!

Thank you.

Assoc. Prof. Nagarajan Raghavan
