Submission of Abstract towards Call for Book Chapter - "Harnessing Computational Intelligence for Insights into Epigenetics, Cellular Dynamics, and Mitochondrial Functions" inbox x

Sayantan Das <sayantandas636@gmail.com>

to soumita.seth, smallik, tapas.bhadra, lidia, Ankana, Tufan, Debasmita

Respected Editors,

I, on behalf of the co-authors and myself, hereby submit the attached book chapter abstract for your consideration towards submission of full draft of book chapter related to the same.

Title: AI-Driven Classification and Biomarker Discovery in Alzheimer's Disease: Toward Early Detection and Therapeutic Insight

Authors: Sayantan Das, Lidia Ghosh, Ankana Das, Tufan Saha, Debasmita Guha Biswas

Affiliation: Department of Controller of Examinations, Institute of Engineering & Management, Kolkata, India, RCC Institute of Information Technology Kolkata, India

Email id: sayantandas636@gmail.com, lidia.ghosh21@gmail.com, ankanadas2002@gmail.com, tufan.saha@outlook.com, debasmitaguha3@gmail.com

We shall be eagerly waiting for your positive replay and feedback.

Sayantan Das
Assistant Professor,
Institute of Engineering & Management(IEM)
Kolkata, India
