Based On the latest ICSE Curriculum

ICSE Geography is a series of books for classes 6 to 8. This book has been prepared according to the latest curriculum for the School Certificate Examinations (CISCE), New Delhi, for ICSE schools.

Special features of this book include key concepts, do you know, fact, glossary, points to remember, map work and exercises to assess analytical, **Problem Solving Skill** and **Critical thinking Ability** of the students. This series has been designed to present the concept in a simple and concise manner.

Each chapter has exercises and activities that would make learning more meaningful and enjoyable. It motivates the students to learn with curiosity and enjoyment.
