Dear Sir

Please find the book chapter titled: **Event-Triggered Federated Game-Theoretic Optimization or Energy-Efficient Multi-Robot Coordination** attached herewith for your kind perusal.

The Similarity percentage is 2% and AI writing percentage is 0%.

The supporting documents are also attached herewith.

Dear Author,

We are pleased to inform you that your paper entitled “**Event-Triggered Federated Game-Theoretic for Energy-Efficient Multi-Robot Coordination**” has been **shortlisted for publication** in the Bentham Books volume titled

“Next-Generation Intelligent Systems: Innovations Across Emerging Technologies and Interdisciplinary Frontiers.”

Kindly submit the **camera-ready version of your chapter on or before 20 January 2026 (Word file only)** and ensure that the **copyright form** is duly completed.

Please carefully note the following guidelines:

- A **signed copyright letter** must be submitted for each chapter by the **corresponding author**. The copyright letter will be provided after submission of the complete book (enclosed).
- The **title page** should include:
 - Chapter title
 - Full name(s) of author(s) with affiliation(s)

- Corresponding author's complete affiliation and postal address
- Phone, fax, and email details
- The **abstract** should not exceed **250 words** and must clearly summarize the essential aspects of the chapter.
- A maximum of **20 keywords** should be provided, arranged in **alphabetical order** and separated by commas.
- All **mathematical equations** must be prepared using **MathType** or any standard equation editor software.
- **Patient Consent** (if applicable): Authors must obtain written permission from the patient or the patient's relatives for submission of case reports intended for publication. This consent must be obtained prior to submission and clearly stated within the chapter.
- All **abbreviations** should be defined at their first occurrence or listed separately in a **List of Abbreviations**.
- Each chapter must include explicit declarations of:
 - Conclusion
 - Consent for publication
 - Conflict of Interest
 - Acknowledgements
- All **references, figures, tables, chemical structures, schemes, and equations** must be cited sequentially in the text.
- Previously published or reproduced material must not be included unless **written permission** has been obtained from the copyright holder. Copies of such permissions must be forwarded to the Editorial Office.

Additionally, authors are kindly requested to **limit the chapter length to a maximum of 20 pages(if applicable)**, in accordance with Bentham Books chapter guidelines (attached).

We look forward to receiving your revised submission and thank you for your valuable contribution.

Warm regards,
Editor
