Sub: Invitation for the Platinum Jubilee Conference on Contemporary Physics

Dear Prof. Dutta

As part of the Platinum Jubilee celebration of IIT Kharagpur, the Department of Physics plans to organise a conference on Contemporary Physics from 29 March 2026 to 31 March 2026. We aim to bring together eminent physicists working in academia, industry and their administration and management who were broadly connected with the Physics department in the past. A session will be reserved for views, reflections, reminiscences and suggestions from our ex faculty and senior former students.

We write this to invite you to deliver a lecture in this conference. We look forward to your presence here during the conference. However, the conference will run on hybrid mode, with both in-person and on-line presentation modes. Please let us know if you cannot come, we will schedule your talk on-line.

We are happy to provide local hospitality during the conference. We hope you will accept our invitation and register online accordingly at the link given below by 30 January 2026.

Looking forward to having you with us,

Yours sincerely
