[Ignore if you receive it multiple times and/or registration is done]

Dear Debasis Chatterjee,

Greetings from PEIS 2026 – International Conference on Power, Environment and Intelligent Systems.

We are pleased to inform you that your paper titled “Hybrid CNN-LSTM-Attention Framework for Advanced Fault Detection, Classification, and Location in Power Transmission Line” (Paper ID: 170) has been accepted for presentation at PEIS 2026, scheduled to be held on 03–04 April 2026 at Ghani Khan Choudhury Institute of Engineering & Technology (GKCIET), Malda, West Bengal, India.

The acceptance decision has been made based on the recommendations of the reviewers and the evaluation by the Technical Program Committee.

You are kindly requested to complete the conference registration at the earliest by 15 March 2026 to confirm your participation. Registration details are available at:

<https://www.gkciet.ac.in/peis2026>

Please note that at least one author must register and present the paper for it to be included in the final conference program and proceedings.

Kindly note that all presented papers will undergo plagiarism checking prior to publication, and only papers meeting the required publication ethics and quality standards will be considered for inclusion in the conference proceedings.

We congratulate you on the acceptance of your paper and look forward to your participation in PEIS 2026.

Warm regards,

Dr. Surajit Chattopadhyay
Conference Chair, PEIS 2026
