Dear author, happy to share that presently, we are receiving a camera-ready paper from the authors of the accepted paper. Please and resubmit it to our book before October 12, 2025, so that we can submit our final draft of the book as early as possible.

1. Camera-ready copy of your chapter in Microsoft Word format. Regarding this format, I attach one chapter guidance, which should

2) Figures (PNG format), with the resolution needed is 300 dpi, separately holding proper names (for example, chapter 1/ figure 1.

3) The Author Agreement Copy form can just be signed by each corresponding author for each chapter.

4) AI Disclosure form signed by each corresponding author for each chapter.

5) The length of each manuscript should be at least 15 pages.

6) Overall, the chapter should be well organized and presented; only some aspects need to be considered. The maximum allowable content is allowed. The author must modify the chapter title according to the book title [as the book title is Prescriptive AI, so the chapter title should be Prescriptive AI for ...]
