Subject: Provisional Acceptance of Book Chapter "EEGNet-AGNN: A Hybrid Graph Attention and Convolutional Neural Network Framework for EEG-Based Depression Detection" for the book Neuroethology

Dear Authors,

Thank you for submitting your chapter "EEGNet-AGNN: A Hybrid Graph Attention and Convolutional Neural Network Framework for EEG-Based Depression Detection" to the book Neuroethology, to be published by Scrivener Publishing, Wiley.

I am pleased to inform you that your chapter has been provisionally accepted for publication.

Please submit the clean chapter (Word file) and the copyright form and AI disclosure form (attached) by 20th May, 2026.

Your accepted chapter will now be transferred to the production department of the publication house. The publisher will create a proof, which you will be asked to check and answer their queries. If we need any additional information from you during the production process, we will contact you directly.

We appreciate you submitting your chapter to Neuroethology and hope you will consider us again for future submissions.

Thanks and regards,

Dr. Souvik Ganguli
